PRINCIPAL'S

MESSAGE

CARL GREGORY

Dear Graduates

Your senior year has been marked with many trials, tribulations and milestones. It is a year during which the President of the United States prepares for war against Iraq as a means of protecting "our way of life"; when "our way of life" has yet to mean real democracy for all Americans. It is a year during which the United States Supreme Court passed decisions which further erodes basic human rights, the President vetoed the Civil Rights Act of 1990 and appointed a Supreme Court Justice who believes affirmative action is "affirmative discrimination." Yet, it is also a year where mass organization, unity and struggle resulted in the release of Nelson Mandela after twenty-seven years in a South Africa prison. It is a year when Governor Jim Florio called for "one New Jersey" through a more equitable educational funding formula. Overall, the struggle continues, young people, and you are its vanguard of today.

There are some people in our city and nation who think our youth are totally irresponsible, mindless, have no consciousness and lack motivation, invention and direction. However, these people are misreading the signals. They misinterpret the discontent and unwillingness to accept the current status quo as apathy or unguided anger and fail to listen to the message underlying the

rap and other expressions of our youth. The truth is that most of our young people, especially the new Central man and woman, are becoming more aware, more conscious of their identity, purpose and direction. You realize and understand that you are the bearers of a long tradition of struggle and you have demonstrated your ability and desire to continue that struggle in a manner befitting the legacy you have inherited.

You are the class of 90's. The "We" Generation as opposed to the 80's "Me" Generation. The entire Central High School family is extremely proud of you and we applaud your efforts. Continue the struggle for self-determination and development of our community. Remember always to temper justice with patience, wisdom and sensitivity. Be aware that in hard times you should look back to the source to rekindle the fire and gather strength and take pride in the place you will some day refer to with affection as your Alma Mater. Keep your eyes on the prize, study, learn, participate, contribute -- Make A Difference.

"Education is our passport to the future, for tomorrow belongs to those who prepare for it today!"

FOOTBALL

1990 marked the second year of the Central Blue Devils' Football Team entrance into the highly competitive Mountain Valley Conference. They posted a 4 and 5 win loss record increasing their last year performance by one victory. However, this year's successes go far beyond their record. Little do critics know that through the leadership of seniors Lorenzo Hall, Anthony House, Maurice Horne, Dewan Johnson, Shakeem Gatewood, Akeem Valentine, Aaron Williams, Larry Brown, Leroy Cooper, Jeffrey Blyther and Willie Weston, three games were lost by the margin of one point 7 - 6, 7 - 6 and 13 - 12.

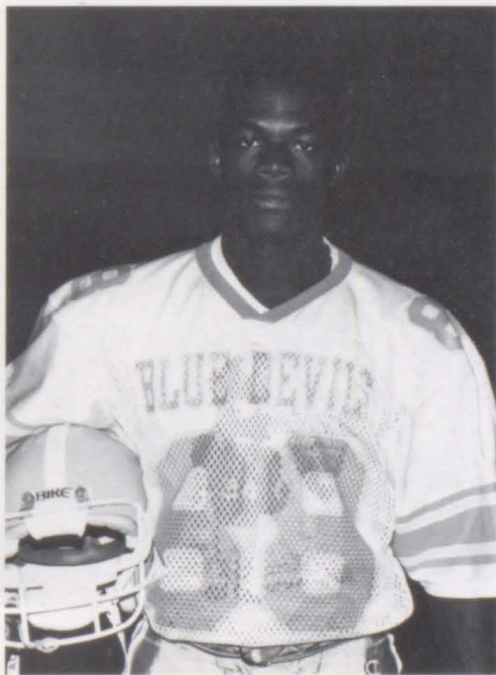

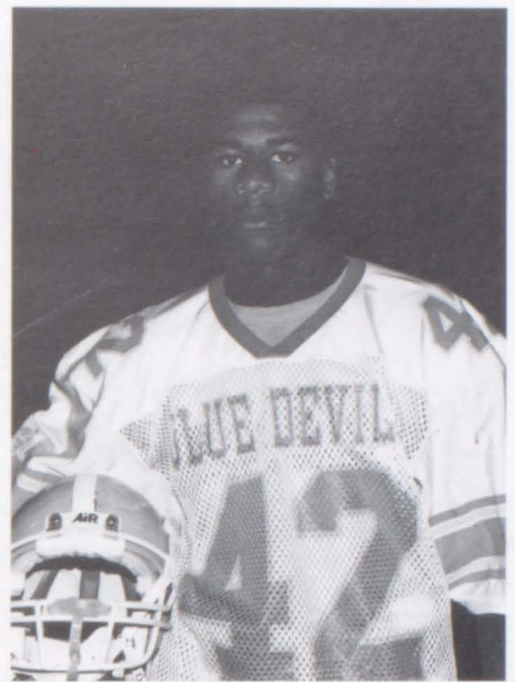

Offensively, the Blue Devils averaged over 250 total yards a game and ranked number two defensively in Essex County by holding their opponents to an average of 9 points per game.

Commitment, loyalty, leadership, family and confidence in oneself are only a few words to describe this outstanding 1990 Blue Devil Football Team. Their efforts and successes marked the beginning of a new era in Central Football.

Along with the entire coaching staff of Coaches Alexander, Arnold, Mc Loughlin, Martin, Ray, and Soloman, and Mr. Steven Coles, our devoted Athletic Director, Coach Larry Schumacher congratulates the finest young men they ever had the honor of coaching. How about those Devils !

Senior Fullback Jeffrey Blyther # 34 shows why he is first Team All Conference, First Team All Essex County, First Team All City and Third Team All State. Go Jeff !

SOCCER

The Central High School soccer team posted a record of seven wins, seven losses and two draws this season. This is satisfying though they played better than that. The Central High Soccer Team, ranked tenth overall in Essex County by The Star Ledger, was invited to the Essex County Championship. Garfield Joseph, a senior was selected to the All Essex County Third Team by The Star Ledger. The players were dedicated to the team, their academic pursuit and the Central High School family spirit. They understood that to win, they had to be good student athletes, train harder, and play together as a team. Althea Richards was the Manager and Statistician. She did a wonderful job. Ms. Alerte came on Board as Assistant Coach and Counselor.

Captains Garfield Joseph and Jean Beaubrun will be missed as they graduate. Also graduating are Hancy Dameus, Erode Bertrand, Orin Joseph, Jean Paul, Francios Michael, Goalie Dudlin Valmir and Manager Althea Richards.

Coach Igwe expects that many more students will find out about the Soccer Team and join up next season.

Ramon will finish his high school career with over 1,060 points. The team received double figure scoring from senior guard Charles White. With his deadly accuracy from outside the three point line Charles averaged 11 points per game. Khalid Durham and Michael Williams helped the team with strong defensive and rebounding efforts.

The team was led in scoring by senior Denise Gardner who served as captain, junior Tina O'Neal, co-captain, led in assists, while senior Sharonda Muhammed and Denise Gardner were tied for rebounds. The girls would like to extend their thanks to everyone who supported them and they would like to see the team grow and expand through the coming years with upcoming stars Tina O'Neal, Tosha Howard, Tracey Perry and Nicole Clinton.

Captain Denise Gardner thanks her teammates for their support and says "It's not how much we score or how many games we win but how we base our mentality and produce a good game that counts."

BOWLING

The Central High School Bowling Team has successfully completed another year of competition in the Mountain Valley League. We are proud of their individual accomplishments and the positive manner in which the team represented our "Blue Devil Family" in the competition. Our bowlers observed the guidelines and truly performed in the spirit of good sportsmanship. Thanks to the fine efforts of our leading scorer, Princess Helms, this year's competition was especially rewarding. We have high hopes that next year our team will place first or second in the event. As we say good-bye to our graduating seniors, Tamarra Helms and Kateri Flood, we wish them much luck as they pursue their own goals and dreams. We thank them for their contributions to our team and want them to know that they will be missed.

CLASS OFFICERS

I have been a resident of New Jersey for the past two years. As a newcomer to this community, I entered it with some reservations. However, after I enrolled in Central High, I had the pleasure of coming in contact with some fine students and inspiring teachers. As I continue my education in college, I will always remember Central High School with fond memories of friends and teachers.

Congratulations to my fellow graduates of the class of 1991. May our dreams and aspirations come true.
